

COMPANY DATA

PS Industries® Incorporated is a leading OEM manufacturer of industrial doors (PS Access Solutions™), safety/fall-protection products (PS Safety Access™), flood protection barriers (PS Flood Barriers™) and unforeseen risk mitigation products (PS Public Protection™). Plus, PS Industries is a fully capable contract manufacturer with design, engineering and manufacturing teams all under one roof. This collaboration benefits every step of the production process. Our 180,000-square-foot facility is located in Grand Forks, North Dakota.

CORE COMPETENCIES

PRIMARY MATERIALS EXPERTISE

- Carbon steel
- Stainless steel
- Aluminum
- Custom-engineered fabric barriers

DESIGN/ENGINEERING

State-of-the-art design/engineering resources and in-house design/engineering staff allow products to be created from concept through completion. These resources include:

- Experienced engineers, including those who have knowledge of structural engineering
- Dedicated and experienced design staff
- Finite Element Analysis (FEA)
- 3D CAD modeling and structural analysis
- In-house fixture design and fabrication
- Extensive testing capabilities
- New product research, development and continuous improvements

OPERATIONS CAPABILITIES

- Fiber-optic sheet cutting laser
- Tube cutting 4KW laser
- Flat 6KW laser
- Waterjet cutting
- Industrial metal cutting saw
- Punch press
- Precision drilling
- Tube bending
- CNC sheet metal processing
 - Shears
 - Press brakes
 - Folding machine
- AWS-certified welders
- Robotic welding
- Industrial liquid paint application
- Automated powder coating line
- Large-capacity powder coating (7.5'x6'x30')
- Assembly, packaging and shipping
- 6 overhead cranes (2- to 20-ton capacity)

DIFFERENTIATORS

- Custom-engineered solutions
- Concept through completion
- Industry-proven performance

CERTIFICATIONS

- ISO 9001:2015 (Certified Quality Management System)
- National Flood Barrier Testing & Certification Program – Platinum Level
- FM/ANSI 2510 Approved on five products
- UL10C NFPA 252 for Fire Rated Flood Doors
- Certified welders (mild steel, stainless steel, aluminum)

CONNECTIONS

- We are registered with SAM.gov
- We are set up with FedBizOpps.gov
- Our CAGE code is 43360
- Our DUNS number is 078633861
- Our UEI (Unique Entity ID) is Q4V7GF9NUXX5
- NAICS codes
 - 332321 Metal Window and Door Manufacturing
 - 332312 Fabricated Structural Metal Manufacturing
 - 332323 Ornamental and Architectural Metal Work Manufacturing

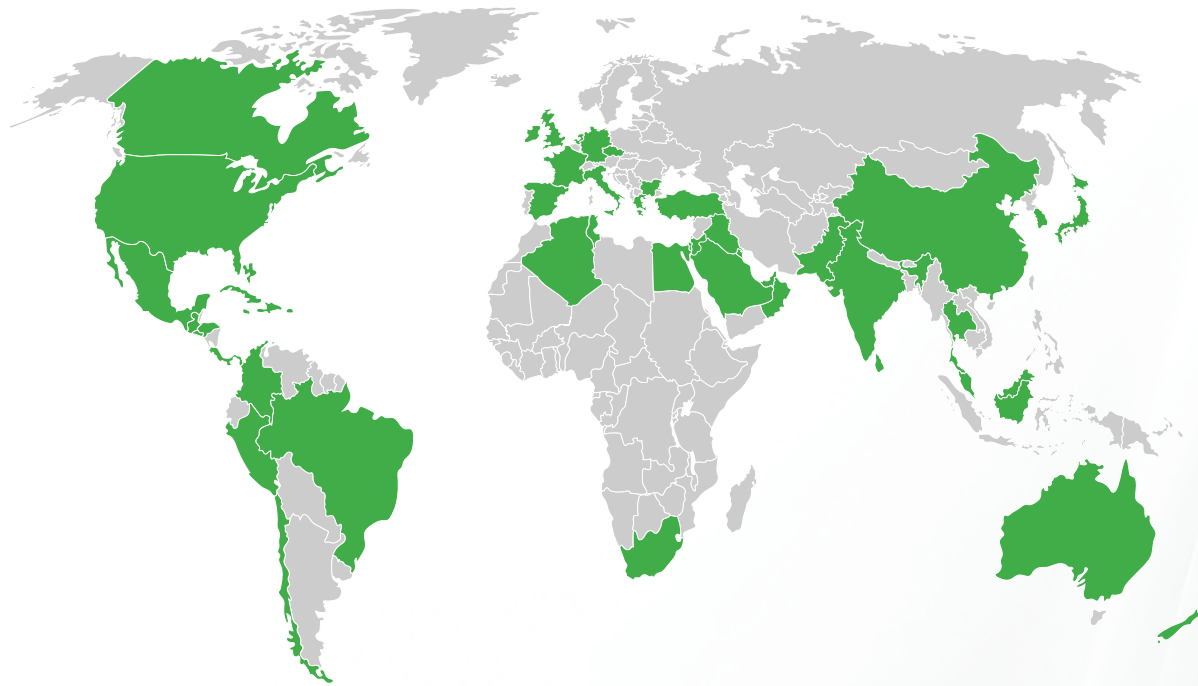

CAPABILITIES STATEMENT

PS INDUSTRIES® SUCCESS STORIES

PS Industries® has products installed in more than 50 countries, helping to protect people and property all over the world.

WE HAVE SHIPPED TO THESE COUNTRIES AND TERRITORIES

Algeria	El Salvador	Jordan	South Korea
American Samoa	England	Kuwait	Spain
Australia	Fiji	Malaysia	Sri Lanka
Bahamas	France	Mexico	Thailand
Bahrain	Germany	Netherlands	Trinidad and Tobago
Bermuda	Greece	New Zealand	Tunisia
Brazil	Guatemala	Oman	Turkey
Brunei Darussalam	Honduras	Pakistan	United Arab Emirates
Canada	India	Panama	United Kingdom
Cayman Islands	Iraq	Peru	United States of America
Chile	Ireland	Puerto Rico	U.S. Virgin Islands
China	Israel	Romania	West Indies
Columbia	Italy	Saudi Arabia	
Czech Republic	Jamaica	Singapore	
Egypt	Japan	South Africa	

PAST PERFORMANCE

Amazon	Bristol Myers Squibb	Langley AFB	Northrop Grumman	Tennessee Valley Authority
AT&T	Department of Homeland Security	Lockheed Martin	Planet Fitness	Tesla
Baylor College of Medicine	Facebook	MillerCoors	Purina	United Nations
Bechtel Headquarters	General Motors	NASA	Raytheon	Walmart
Boeing	Hershey's	National Archives	Several Port Authorities	Walt Disney World
		Nestlé	SpaceX
